BOHMER'S™ TREE CARE

Reliable. Safe. Professional.

ABOUT US

- ✿ We have gained a respected reputation in Australia due to Clive and his team's attention to quality, professional service and the skillful art of safe tree care.
- ✿ We work with councils and organisations to stay abreast of regulations and training around tree care, preservation and safety.
- ✿ We provide a 24/7 call out response to emergency services during storms and bushfires.
- ✿ Tree removal is a last resort. We have respect for the environment and wildlife in all our operations.
- ✿ We work on a range of education projects with local schools and community groups and donate mulch and timber for reuse.

"We are a dedicated, family owned and operated local business and are proud to service our community and our spectacular natural surrounds."

— Clive Woodnutt (Bohmer)

WHO IS BOHMER?

Bohmer means 'Man of the Trees', and was a title given to Founder and Director Clive Woodnutt whilst climbing and caring for trees for over 30 years across the globe.

Clive's technical knowledge and safe, efficient climbing and arborist skills plus his professionalism, in-depth knowledge and eco-friendly approach to tree care is highly regarded amongst his industry peers, clients and the community.

Clive is the only registered, practicing Arborist in the Illawarra with industry association Arboriculture Australia.

“

WHAT OTHERS SAY

“We have a strict screening process and engage Bohmer’s to perform emergency work (storms etc) and general tree care services in Wollongong and Sydney South.

They comply (fully) with WHS requirements and feedback has been extremely positive (and we) will continue to use them.”

- Mauro Farias
Assistant State Manager
AI Building Group

“We engage Bohmer’s Tree Care regularly to undertake insurance and SES work and they have always provided an outstanding service.

We would definitely recommend them for their professional, safe and reliable work operations.”

- Peter Dubiez, CEO
Enviro Frontier Pty Ltd
